

Stigma+Partners

SWITZERLAND

Stigma Partners (Switzerland) SA is a Geneva based Asset Management boutique. As a niche manager that uses intelligent value investment principles to manage over CHF1.5 bio of assets, the company is looking to hire several experienced professional including graduates. Since the company was formed in 2008, it has had a strong growth in AUM and we are now looking for several Experienced (Non-manager) analysts specialized in Financial markets, Economics or Energy to join our team.

The Role

Your work will be heavily focused on research and analysis using all available information including experts reports on global geostrategic, market related, and macroeconomic issues. If your role is to study the Energy sector, your studies will include oil, gas and all alternative energy sources, using existing industry reports and all available market data, to provide in house analysis of the sector.

All analysts will be involved along with senior management in formulating investment strategies based on plans, forecasts and reports.

The Duties

- Work in a multidisciplinary group of analysts to maximize understanding of global geostrategic issues that affect markets in the long or short term.
- Increase productivity by developing automated applications; eliminating duplications; coordinating information requirements
- Provide information to management by assembling and summarizing data; preparing reports, making presentations of findings, analyses, and recommendations
- Work to enhance extensive knowledge base of the company.

The Candidate

- Bachelor degree in Business Administration, Economics or Engineering
- Masters in Business Administration or related disciplines or eventually PhD would be a plus.
- A CFA or AZEK qualification would be advantageous (CIIA, CIWM, Diplôme fédéral d'analyste financier et gestionnaire de fortunes ou Eidgenössisches Diplom des Finanzanalytikers und Vermögensverwalters, Diplôme fédéral d'expert en finance et investissements ou Eidgenössisches Diplom des Finanz- und Anlageexperten)
- Strong written and verbal communication skills in English and French
- Perfect knowledge of MS Office and financial tools
- High level of attention to detail
- Extensive analytic skills
- Ability to work in a group
- Rigorous and self direct
- Swiss citizen or valid work permit

To Apply

On no more than one side of A4 please tell us why we should invest in a company of your choosing that is listed on the US stock market. Please also send us your CV. Both documents should be sent to g.khosrovshahi@stigmamapartners.com or by post to: Stigma Partners (Switzerland) SA, 4 Place du Molard, 1204 Geneva Switzerland.
