

Opportunity

Position: Fund Specialist/Analyst

Location: Zug

Ref: DA405

An exciting job opportunity for an experienced fund analyst to join a successful asset manager in Zug to find and recommend asset managers across a range of asset classes and strategies.

Role

You will act as expert regarding the sourcing process for new managers, managing both interviews and assessments, which will include on-site visits. Compiling and presenting manager recommendations to clients and Senior Management.

You will also be responsible for the comparative reviewing of manager performance against market performance, whilst also analysing and presenting both qualitative and quantitative data. As well as leading your own analysis you will be able to contribute to the broader team's analysis and strategy development.

Requirements

- 4 years previous experience as a fund or manager analyst for a leading financial organisation
- Degree educated, preferably in finance or economics. CFA/AZEK an advantage
- Excellent financial market knowledge and appreciation
- Self-motivated but a team player
- Analytical and logical approach
- Fluent English, other languages desirable

This could be **your** next, exciting career move. Initiate contact with us by sending your current CV to Chandler Robinson at info@dartexec.com or calling us on +41 44 215 1080.
